JEDC
Juneau Economic Development Council

The JEDC Investor Program is designed to engage businesses and organizations who support economic development in Juneau. By becoming a JEDC Investor, you will directly contribute* to programs and initiatives that foster a healthy and sustainable economy, including help make Juneau a great (capital) city; strengthen key regional industries; promote entrepreneurship and small business; develop next generation talent, and deliver core economic development services.

With our comprehensive and consistent marketing, your business or organization will be recognized on all JEDC websites, presentations, newsletters, and collateral materials. Investment levels range from $700** to $10,000+ with increasing benefits. Additionally, your sponsorship of specific JEDC programs and events, such as *FIRST®* in Alaska, the Innovation Summit or the Juneau Maritime Festival, will increase*** your overall Investor recognition level.

Packaging is customizable, and we look forward to connecting with you and discussing goals so you get the most return on your investment!

JEDC's Five Areas of Focus

We want to ensure your contribution is going toward JEDC programs and initiatives that support your company's own values and goals.

Please select any of the following areas where you want to focus your investment!

☐ **Help Make Juneau a Great (Capital) City**
Support our efforts to revitalize downtown, promote housing affordability and availability, and attract new people to live and work in our great capital city!

☐ **Strengthen Key Regional Industries**
Support our efforts to expand Juneau's position as an economic hub for visitor products & tourism, oceans industries (including maritime and mariculture), arts & culture, renewable energy, mining, and research and development!

☐ **Promote Entrepreneurship and Small Business**
Support our efforts to build Alaska's startup ecosystem through angel investing, create opportunities and resources for entrepreneurs, make loans to small businesses, and encourage people to buy local and keep dollars in Juneau's economy!

☑ **Develop Talent**
Support our efforts to attract and prepare the next generation workforce, including improving access to early education and childcare, delivering high-quality STEM programming for K-12 students, supporting university/post-secondary education, and addressing eldercare workforce issues!

☐ **Deliver Economic Development Services**
Support our efforts to be a medium for city & state government to emergency small business relief funds, organize the statewide Innovation Summit, and produce economic research to inform the public and elected officials!

☐ ***Wherever funding is most needed.***
