Safe Practices

JUNEAU WORKS

DO-IT-YOURSELF PROJECTS

HOMEMADE PPE IS OK

When gathering supplies and interacting with individuals outside of your immediate circle wear a mouth and face covering.

MAINTAIN PROPER DISTANCING

When visiting retail establishments be mindful of your space and interaction with other individuals.

Encourage respiratory etiquette, including covering coughs and sneezes.

SANITIZING

Use Environmental Protection Agency approved cleaning chemicals.

If renting equipment ask the retailer their policy for safe return. Take on the responsibility of thoroughly cleaning all borrowed tools.

PROFESSIONAL PROJECTS

CONFIRM CONTRACTORS PPE POLICY

Ask contractor to require workers to wear masks over their nose and mouth.

Builders should continue to use other normal control measures.

MAINTAIN PROPER DISTANCING

Ask contractor to advise workers to avoid physical contact with direct employees/clients.

Encourage respiratory etiquette, including covering coughs and sneezes.

SANITIZING

Use Environmental Protection Agency approved cleaning chemicals.

To the extent tools or equipment must be shared, contractor's should provide and instruct workers to use alcohol-based wipes to clean tools before and after use.

CONSULTATION

Take advantage of technology and meet virtually any time possible.
