## WHAT IS SREC?

The Southeast Regional Eldercare Coalition (SREC) is a collaborative network working to improve eldercare services across Southeast Alaska.

We connect providers, caregivers, and families to strengthen resources and support systems for older adults.

## WHY IT MATTERS

Southeast Alaska has one of the fastest growing senior populations in the state. Many elders face barriers accessing care due to geography, limited resources, and workforce shortages. SREC is working to address these gaps, ensuring quality care, coordination, and community support.

## GET INVOLVED

Join the coalition to collaborate with providers, caregivers, and community members. All are welcome to join.

Meetings are scheduled the First Friday each month from 8:30AM-9:30AM via Zoom.
